

## Publications: (1986)

1. Bhunya SP, Pal BB. Cyatogenetic effects of nickel fluoride in mouse. *The Nucleus*. 1986; 29: 136.
2. Das MK, Dash AP. Detection of antibodies to Culex quinquefasciatus in Man. *IRCS Med Sci (Biochem)*. 1986; 14: 1190.
3. Dash AP. A simple technique for membrane feeding of mosquitoes. *J Zool Soc India*. 1986; 38: 107-109.
4. Dash AP. Host selection pattern of five mosquito species of Orissa. *J Zool Soc India*. 1986; 37: 111.
5. Hussian QZ, Pillai CR, Ravindran B, Kaushik N. Trypin Sensitive plasmodia in the liver of postinfection rats and rhesus monhkeys. *Folio Parasitol*. 1986; 33: 107.PMID: 3522381
6. Kar S.K. Atypical Features in Lymphatic Filariasis. *Ind J Med Res* 1986; 84: 27.
7. Kar Santanu Kumar. Epidemiological study on Lymphatic Filariasis in an Endemic Zone of Orissa. *J Comm Dis*. 1986; 18: 312.PMID: 3309037
8. Modi DC, Bhatt YB, Shikh KG, Subramanyam VR, Dias FP. A note on the use of cross linked starch in Microbiology with special reference to detecting amylase production. *J APPI Bacteriology*. 1986; 61: 315.DOI: [10.1111/j.1365-2672.1986.tb04292.x](https://doi.org/10.1111/j.1365-2672.1986.tb04292.x)
9. Ravindran B, Das MK. Role for carbohydrates moieties in immune response to malaria. *J Immunology*. 1986; 137: 1091.PMID: 3088108
10. Subramanyam VR. Response to Lepromin unaltered by application of zinc to the skin in lepromatous leprosy patients. *Leprosy Review*. 1986; 57: 73. PMID: 3702584
11. Subramanyam VR. Tunicamycin-resistant mutants of Bacillus amyloliquefaciens are deficient in amylase, protease and penicillinase synthesis and have altered sensitivity to antibodies and autolysis. *J APPI Bacteriol*. 1986; 60: 271. DOI: [10.1111/j.1365-2672.1986.tb01733.x](https://doi.org/10.1111/j.1365-2672.1986.tb01733.x)
