

Publications: (1988)

1. Das MK, Behuria MK, Dash AP, Pattanaik NM. Detection of infective larvae antigens in bancroftian filariasis. *Ind J Exp Biol.* 1988; 26: 1003. PMID: 3076164
2. Das MK, Dash AP, Ravindran B, Pattanaik NM, Subramanyam VR. Quantification of antibodies to infective larvae in Wuchereria bancroftian filariasis. *Acta Tropica* 1988; 45: 387. PMID: 2907266
3. Das MK, Subramanyam VR, Ravindran B, Pattanaik NM. Immune complexes in Wuchereria bancrofti filariasis: A specific for phosphorylchlorine and infective larval antigens. *Med Sci Res.* 1988; 16: 1055.
4. Kar SK, Mania J, Nayak SR. Pilot Chemotherapy study on filarial lymphoedema. *Progress in Lymphology XI Elsevier (Book).* 1988; 669-674.
5. Ravindran B, Satapathy AK, Das MK. Naturally occurring antigalactosyl antibodies in human P.falciparum infections a possible role for auto-antibodies in malaria. *Immunol letter.* 1988; 19: 137. DOI: [10.1016/0165-2478\(88\)90133-2](https://doi.org/10.1016/0165-2478(88)90133-2)
6. Ravindran B, Satapathy AK, Das MK. Production of characterisation of rabbit antibodies to primaquine. *Med Sci Res.* 1988; 17: 161.
7. Ravindran B, Satapathy AK, Pattanaik NM. Antibodies to Diethyl Carbamzine Cross react with Microfilarae of Wuchereria bancrofti. *Immunol Letter.* 1988; 17: 7. DOI: [10.1016/0165-2478\(88\)90094-6](https://doi.org/10.1016/0165-2478(88)90094-6)
8. Dash A P, Das M, Bendle MS and Sharma Gk. Prevalance of Winter Forms of Anopheles Annularis. V. d.Wulp (Diptera: Culicidae) in Keonjhar district of Orissa. *J comm. Diseases.* 1988; 20(4):287-292. PMID: 3268592
