

## **Publications: 2002**

1. Ravindran B. Mass drug administration to treat lymphatic filariasis. *The Lancet*. 2002; 359 (9321): 1948.
2. Mukhopadhyaya S , Mohanty M C , Mangla A , George A , Bal V , Rath S and Ravindran B . Macrophage Effector functions controlled by Bruton's Tyrosine Kinase are more crucial than the cytokine balance of T-cell responses for microfilarial clearance. *Journal of Immunology*. 2002; 168: 2914-2921. DOI: [10.4049/jimmunol.168.6.2914](https://doi.org/10.4049/jimmunol.168.6.2914)
3. Sahoo P K , Babu Geddam JJ , Satapathy A K , Mohanty M C, Das B K, Acharya A S , Mishra N and Ravindran B . Human Bancroftian Filariasis- A 13 year follow-up of Microfilariae carriers and Endemic Normals in Orissa, India. *Parasitology*. 2002; 124: 191-201. DOI: [10.1017/s0031182001001007](https://doi.org/10.1017/s0031182001001007)
4. Beuria M K, Bal M, Mandal N N and Das M K. Antigenemia at 10 years after diethylcarbazine treatment of asymptomatic microfilaraemic individuals: marginal conversion to infection - Free State. *Parasite Immunology*. 2002; 24,109-111. DOI: [10.1046/j.0141-9838.2001.00439.x](https://doi.org/10.1046/j.0141-9838.2001.00439.x)
5. Chhotray G P , Pal BB , Khuntia H.K ,Choudhury NR, Chakraborty S, Yamasaki S, Ramamurty T, Takeda T, Bhattacharya SK and Nair GB. Incidence and molecular analysis of *Vibrio cholerae* associated with cholera outbreak subsequent to the supercyclone in Orissa, India. *Epidemiology and Infection*. 2002; 128: 131-138. DOI: [10.1017/s0950268801006720](https://doi.org/10.1017/s0950268801006720)
6. Babu B V , Nayak A N , Dhal K , Acharya A S , Jangid P K and Mallick G. The economic loss to individuals with chronic lymphatic filariasis in rural communities of Orissa, India. *Acta Tropica*. 2002; 82(1):31-38. DOI: [10.1016/s0001-706x\(02\)00030-x](https://doi.org/10.1016/s0001-706x(02)00030-x)
7. Balgir R S, Kerketta A. S., Murmu B and Dash B P. Clinical Assessment of Health and nutritional status of Gond Children in Kalahandi District of Orissa. *Indian Journal of Nutrition and Dietetics*. 2002; 39: 31.
8. Balgir R S, The genetic burden of hemato- globinopathies with special reference to community health in India and the challenges ahead. *Indian Journal of Hematology and Blood Transfusion*. 2002; 20: 2-7.
9. Bulliyya G , Mohapatra SSS, Kerketta A S , Das R K and Jangid P K . Status of anemia among the elderly Paudi Bhuniya Primitive tribe of Sundergarh district, Orissa. *Indian Journal of Nutrition and Dietetics*. 2002; 38(3): 403-411.
10. Kar Subrat K, Dash VLN and Babu B V. Nutritional plight of Orissa: an overview. *Man in India*. 2002; 82 (1 &2): 143-154.
11. Nayak A N , Jangid P K , Acharya A S , Babu B V Lymphatic filariasis, household environment and human behaviour: a study among the rural population of coastal Orissa. *Journal of Human Ecology*, 2002; 13: 283-286. DOI: 10.1080/09709274.2002.11905547
12. Bulliyya, G.ABO And Rh(D) Blood Groups in Relation to the Risk Traits from Coronary Artery Disease. *South Asian anthropologist*. 2002; 2 (1):1-7.
13. Balgir RS.Academic Curricula of Anthropology need Overhauling: An Observation..*Manin India*.2002;82 (3 & 4): 407- 412.
14. Mohanty M C, Rabindran B. Deficiency in antibody responses to T-independent antigens in gerbils- *Meriones unguiculatus*. *Development and Comparative Immunology*.2002; 26(4): 385-DOI: [10.1016/s0145-305x\(01\)00086-6](https://doi.org/10.1016/s0145-305x(01)00086-6)
